Director's Message

As one of Bahrain's prime MEP contractors, DELTA MECHANICAL SERVICES W.L.L. (DMS) is recognized for its strong commitment to excellence and high standard of execution.

We are built on solid foundation of integrity, quality workmanship, history of professional management, innovation and safety in the workplace.

Our commitment to maintain the highest standards of excellence is shared by all our employees. We make it a priority to retain and promote the best people in our organization and constantly train our staff in the latest technologies and continually upgrade project controls. Good results are rewarded.

As we respond to the ever-changing demands of the industry, DELTA MECHANICAL SERVICES W.L.L. (DMS) looks forward to continued growth and success for many years to come.

About Us

Our parent company DELTA INDUSTRIAL SUPPLIES CO. W.L.L. was established in 2003 with the premise of providing service mainly to air conditioning contractors. However, over the years DELTA INDUSTRIAL SUPPLIES CO. W.L.L. has diversified and has rapidly developed into one of the leading HVAC, Piping, Plumbing, Fire Fighting materials, Equipment and Tools supplier in the Kingdom of Bahrain.

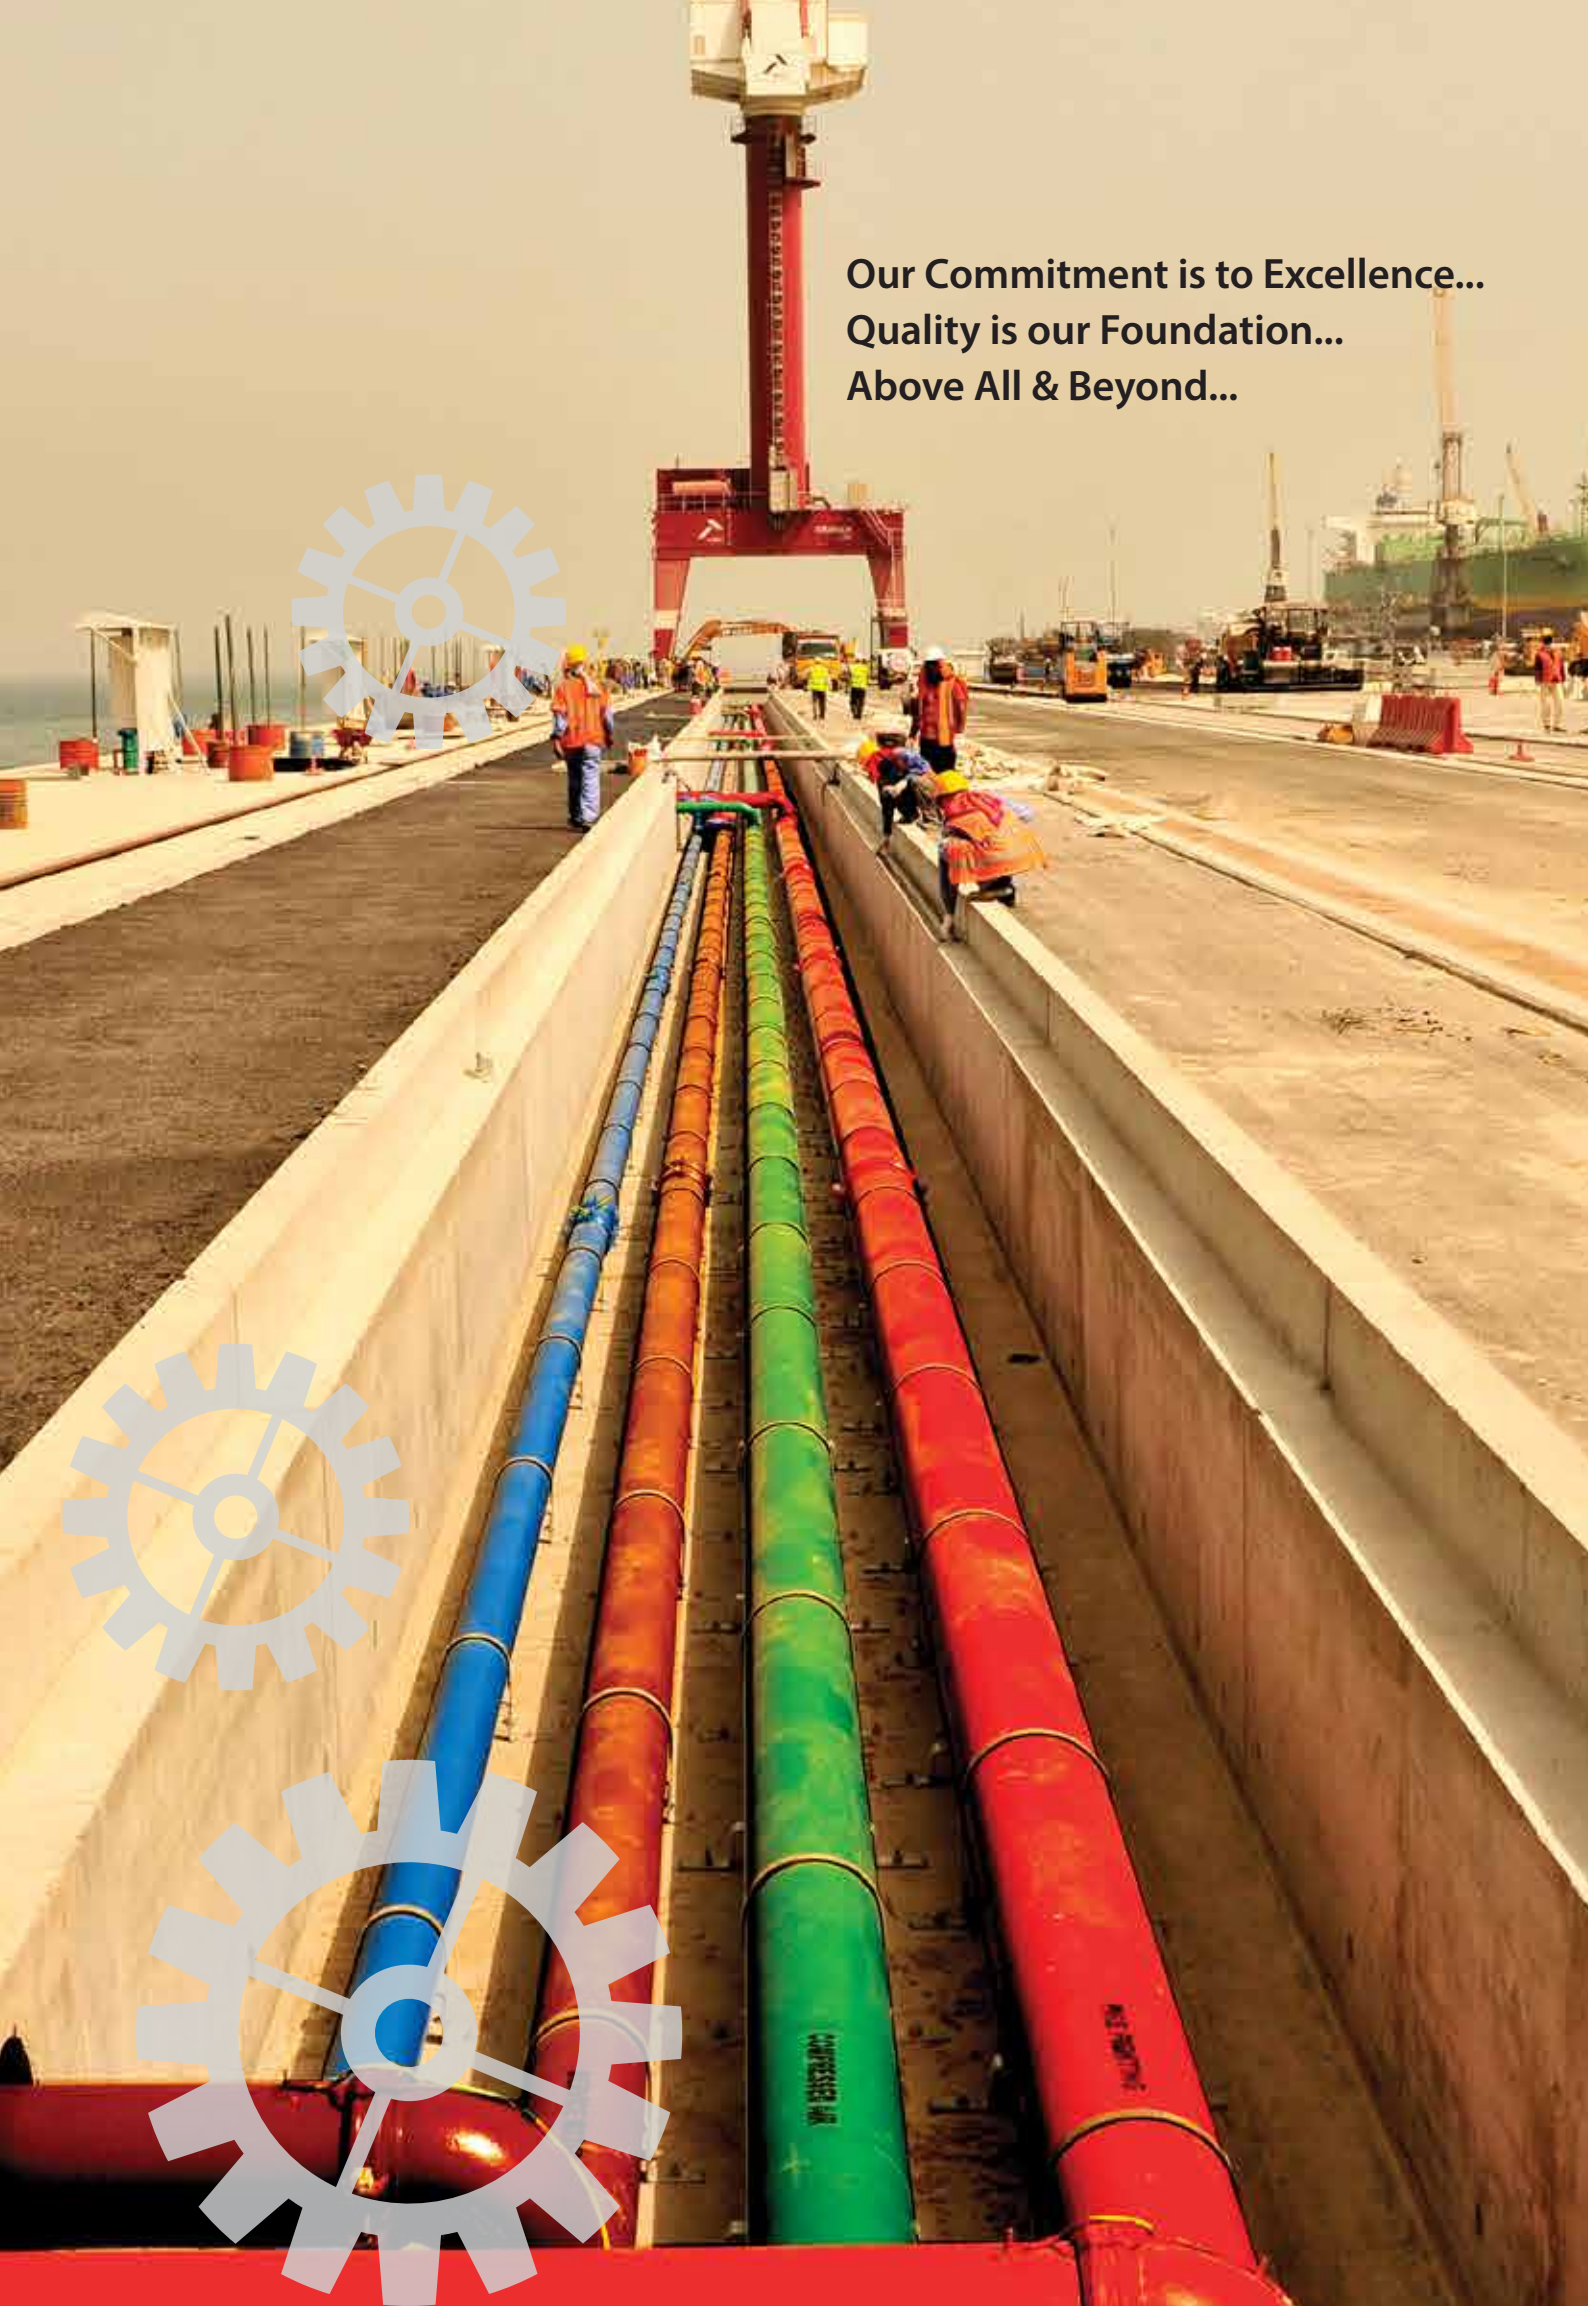

DELTA MECHANICAL SERVICES W.L.L. (DMS) was formed in 2009. The company is basically a Mechanical, Electrical, Piping, Plumbing, Fire Fighting and HVAC contractor that provides design, installation, maintenance, testing and commissioning services for industrial, commercial and residential clients.

DMS strives to attract and maintain highly professional and qualified engineers and highly skilled and well-experienced technicians, has acquired the expertise and caliber to undertake major projects in any field of our specialization.

We are proud of the exemplary growth rate of the company. At the same time, we are fully aware of the escalating responsibilities. It instigates us for further improvement and to continue the drive for assurance of quality and reliability.

Our Commitment is to Excellence...
Quality is our Foundation...
Above All & Beyond...

Core Values

The success of our companies can be attributed to our ability to continuously identify and quickly respond to the changing demands across the markets. Our core values of integrity, respect, rigor involvement and quality in everything we do remain consistent. These values are embraced by our people and have played a major role in our success and will continue going forward.

Quality and integrity being the core philosophy of the Group. Management has developed and implemented a quality management system in compliance. Across the board we have implemented those processes and policies aimed to achieve and exceed the high standards we have set for ourselves. Our employees who are highly qualified, skilled and customer oriented transform our vision into reality. We believed in the tremendous potential of Bahrain and under the exemplary and able leadership of the country.

Synergy

DELTA MECHANICAL SERVICES W.L.L. focuses on the essential theme of Project Management – the synergy of Engineering, Procurement and Construction activities, to achieve a quality project, delivered on time, within budget and built utilizing best engineering practices.

Commitment

DELTA MECHANICAL SERVICES W.L.L. creates and maintains the Culture and Environment in which its people are able to achieve their potentials and to contribute in maintaining company's commitment of good service to costumers, partners and suppliers.

Excellence

We aspire for excellence through innovation, demonstrating through innovation through knowledge and measure excellence through productivity.

**“Innovation & careful planning is the driving force
down to the new roads to the future...”**

Mission & Vision

DELTA MECHANICAL SERVICES W.L.L. turns ideas into reality through a tradition of building trust, delivering exceptional client services and creating value.

DELTA MECHANICAL SERVICES W.L.L. is dedicated to establishing its position as a leader in the area of HVAC, Mechanical, Electrical, Plumbing, Fire Fighting and MEP contracting by providing cost-effective, innovative solutions and products, matched only by the quality of our service. Our mission is to be a respected contracting organization committed to professional, and ethical conduct. DMS plans to render tailored service specializing in cost savings, timeliness and performing within the budget. We are committed to our clients, our staff and our community.

Safety

Safety is a moral obligation. Our goal is to attain a zero accident.

Teamwork

We believe that best results are achieved when everyone works together; DMS staff, our clients, our consultants, our subcontractors and suppliers.

Honesty & Integrity

We do what we say. We are always honest, truthful and conduct ourselves with integrity.

Personal Growth

We support employees in their goal to expand their skills and experience. We believed that employees are entitled to meaningful, satisfying work as they help to advance the goals of the Company.

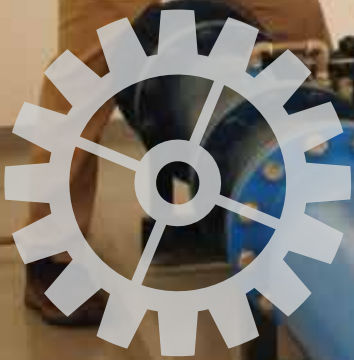

Fairness

We treat others as we would wish to be treated- with professionalism & dignity

We conduct ourselves in a manner of which we are proud; as individuals, and as representatives of our Company and industry.

**“No Compromise – We deliver you good service!
We employ the right person for the job”**
